## Why You Need a Professional Employer Organization (PEO)

We solve your employment issues by:

- Allowing you to focus on profitable activities, rather than dealing with human resource and personnel concerns
- Being a one-stop solution for all of your employer-related needs
- Managing your liabilities
- Helping you find good employees, even in a tight labor pool
- Improving your company's employee benefits and your employee's productivity
- Handling complex issues for you, such as payroll taxes and unemployment insurance
- Ensuring that your company is in full compliance with the law

### Praise for PEOs

"Professional Employer Organizations are giving American businesses a new lease on life. Given the advantages, businesses are scrambling to sign up with PEOs so they can avoid the hassles of running a personnel department."

- Entrepreneur Magazine

"I wanted to take a moment and thank you for your support and continued professionalism...The support we received far exceeded our expectations."

- O2 HR Client

## Our Commitment to Customer Service

We are focused on giving you the professional, quick, and courteous service that you need to be a success.

We create a true business relationship with you. By communicating with you and asking for your input we can make sure that we you get the most of what we can offer.

## Developing Your Business

- You maintain control over your business and your employees while we take care of time-consuming and complicated employment issues.
- You can find and keep valuable employees with great benefits usually only available to Fortune 500 Companies.
- Your risks are reduced as we take on the responsibilities of employment insurance and help you comply with any of the laws that may affect your business.

You will have the resources to on develop your business.

You will have an assigned Client Relations Specialist who acts as your liaison between the different departments in our company. One phone call to your CRS gives you the answers and solutions you need.
